

**PROJECT 1:**  
**INTERACTIVE FRONT-END PROJECT INVOLVING SERVER SIDE APIS**

**crush**  
**CALCULATOR**  
**.com**

**CREATED AND PRESENTED BY SHIVANI SINGH**

LOVE CAN BE DEFINED AS...

a series of endless, unanswerable questions:

- Will things work out?
- Am I making a good choice?
- What is the other person really like?

The beauty of love is in the unknowns,  
in the hundreds of questions that can be left unanswered for the time being.

SOME OF US, HOWEVER, PREFER SWIFT CONSOLATION, BE IT JUST FOR FUN...

## CrushCALCULATOR.com...
